1. Horsepower and torque calculations reflect SAE net, Rev. 08/04, SAE J1349 procedures.

2. None of the features we describe are intended to replace the driver's responsibility to exercise due care while driving. Drivers should not use handheld devices or operate certain vehicle features unless it is safe and legal to do so. Some features have technological limitations. For more comprehensive product and feature information, limitations and restrictions, please visit www.acura.ca/disclaimers and refer to your vehicle's Owner's Manual.

3. For optimal tire wear and performance, the pressure should be checked regularly with a tire gauge. Do not rely solely on the monitor system.

4. Only compatible with certain devices and operating systems. Devices, cables and adapters are not included and must be purchased separately. Cellular data and/or voice charges may apply, including roaming charges and/or other amounts charged by your wireless carrier.

5. Amazon, Alexa and all related marks are trademarks of Amazon.com, Inc. or its affiliates.

6. Only available in certain areas. Includes a no-charge trial of three months, beyond which service fees apply.

7. New vehicles are equipped with a complimentary time or data trial period, whichever comes first. After the trial period, contact Bell to purchase available data plans. 4G LTE connection speeds may vary by region.

8. Coverage varies by market.

9. Estimated fuel consumption based on Government of Canada's 5-cycle testing method. Your actual fuel consumption will vary based on driving habits and other factors – use for comparison only. For more information on 5-cycle testing, visit <http://vehicles.nrcan.gc.ca>.

10. Based on SAE J1100 cargo volume measurement standard.
